

SAVE TIME AND MONEY WITH OUR TWO EXCITING NEW DIGITAL SERVICES

glassTRACK ||||

Mobile app tracks glass orders in real-time via your smartphone, PC or tablet!

Invaluable time-saving tool, speeding up your ordering experience. Displays delivery & manufacture status, due date, location of the item on the stillage, delivered/future orders, sizes and more. No middle-man, with direct access to your details and proof of delivery. Extremely user-friendly interface makes life easier.

To find out more or sign up for *glassTRACK*, please contact:

steven.brown@claytonglass.co.uk

Automated Email Reports

Order progress sent to three email addresses daily. Delivery Schedule emails for future orders by delivery day. Information readily available in your inbox, so no need to contact anyone!

Acknowledgement emails to confirm processing of orders. Delivery notes emailed in advance of delivery with important info. Plan your business day around orders and keep up-to-date!

To sign up, send your three chosen email addresses to:

steven.brown@claytonglass.co.uk
