

Decorative Glass Range

Introducing our decorative glass range

Express your style while allowing maximum light into your home with Pilkington Decorative Glass. We have strengthened our traditional and contemporary range with two new designs – Pilkington Tribal and Pilkington Cassini. The expanded range gives you the ability to maintain privacy and provides the optimum blend of form and function.

Introducing our 2 new Designs

Cassini™ Privacy level 5

An innovative design that proves Pilkington still leads the way.

Pushing the boundaries of textured glass production, the fine line detail and carefully considered angles of Pilkington Cassini™ combine to produce a stunning multi-layered effect.* The use of cutting edge technology results in a unique modern design, with lenticular elements that shift with the viewing angle.

*Please note: glass can be used in any orientation, but the pattern may appear different. The orientation must be specified when ordered.

Cassini™ Privacy level 5

Tribal™ Privacy level 5

Tribal™ Privacy level 5

Hand-engraved craftsmanship, captured in an expressive composition.

Pilkington Tribal™ demonstrates a free, hand-drawn aesthetic inspired by the vivid individuality of tribal patterns. To achieve this look, we have drawn upon our rich heritage of engraving expertise. Glass steeped in history- yet perfect for the contemporary world.

Five levels of privacy are available, graded from 1 (least obscuration) to 5 (greatest obscuration)

- Pilkington Texture Glass and the Pilkington Oriel Collection offers privacy and style throughout the home
- There are now 21 original patterns in the Pilkington Texture Glass range, including exclusive designs by Oliver Heath

Canterbury™ Opal Privacy Level 5

Optifloat™ Opal Privacy Level 5

Technical information

If you use our glass, it's essential for safety and performance reasons that it's correctly specified and installed.

The common areas of impact risk where impact safety glass classified by BS EN 12600 is recommended include:

- Glazed doors
- Glazing adjacent to doors
- Low-level glazing
- Bathroom areas
- Protective barriers
- Furniture and cabinets
- Office screen and partitions

We recommend that you get a sample from your window installer before making your final selection and purchase.
