

glassTRACK V2 on Google Chrome

Technical
Guide

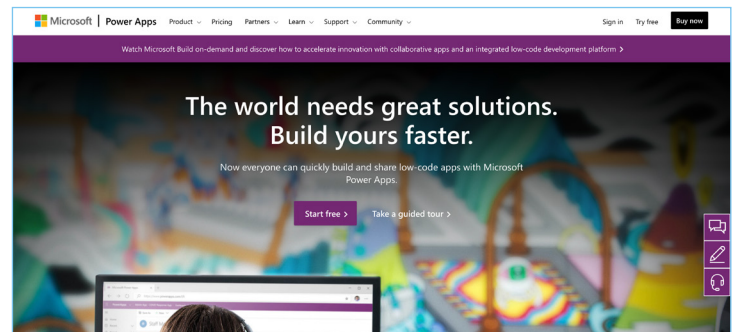

To set up easy access to glassTRACK V2 on Google Chrome:

1. Go to www.claytonglass.co.uk/glasstrack

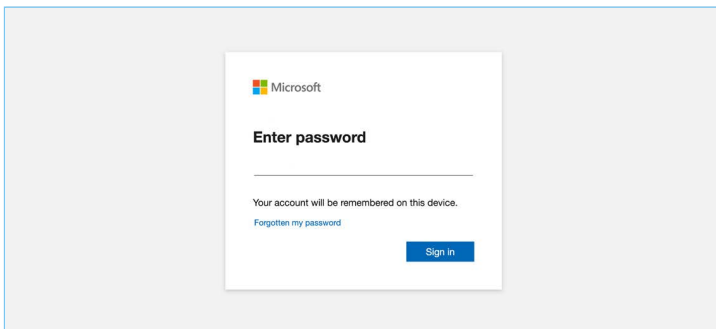

2. Click launch glassTRACK 2.0

This takes you to Power Apps web version.

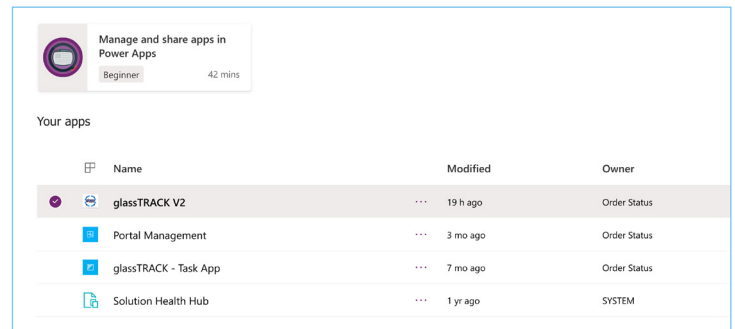

3. Click sign in in the top right and log in

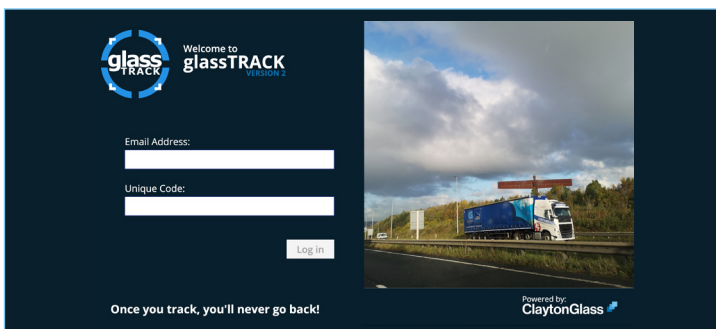

Log in with the username and password provided in your welcome email.

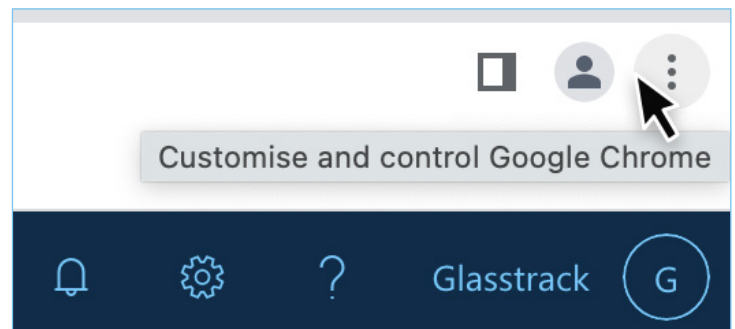

4. Scroll down to apps and click “glassTRACK V2” to launch glassTRACK

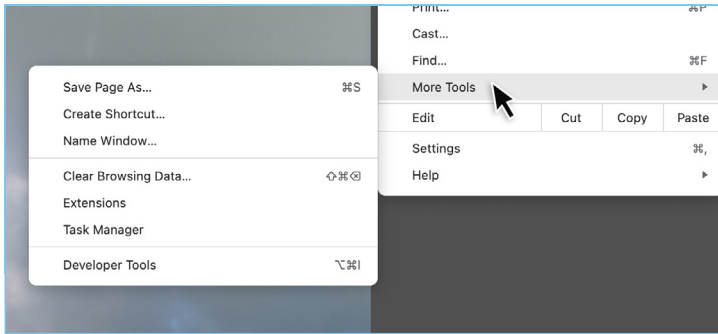

5. Drag the tab down at the top to open the tab in a new window

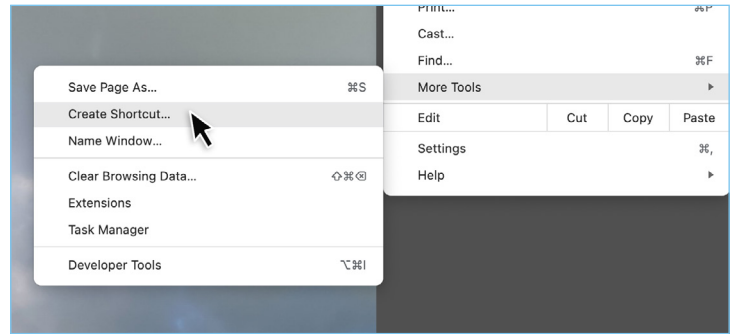

6. Click the three dots in the top right corner of the screen

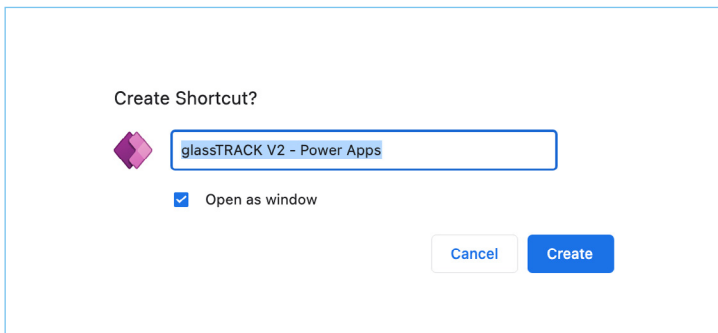

8. Hover over “more tools”

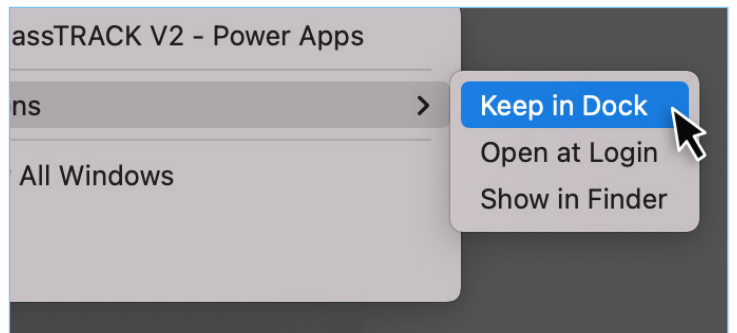

9. Click “create shortcut”

10. Tick the box that says “open as new window”

11. On the task bar at the bottom of your screen, right click the Power Apps symbol that now appears and click “Keep in Dock” (or “Pin to taskbar” on PC)

12. Now you have easy access to glassTRACK V2
